<b>Profession and Research activities</b>	<p>Doctor in Veterinary (1978), active in science and research activities.</p> <p>Till of today, author of 194 scientific works and papers in the matter of veterinary medicine and cynology. Among others, 5 scientific works specifically done on Dalmatians.</p> <p>Author of 13 cynology books, such as "Basics for the genetics of dogs" which is still used till today as an educational book for students at the veterinary university in Belgrad.</p> <p>Academic lecturer at the Cynology Academy of Belgrad for cynology lectures since many years.</p> <p>Developed and prepared the FCI standard for Kangal breed, co-author and collaboration at the development of the standards for 2 bulgarian and 2 serbian hunting breeds (Bracken), as well as the Mountain hunting hound breed from Montenegro.</p>
<b>Family and Hobby</b>	<p>Married, 2 sons (one studying economics, the other studying veterinary medicine)</p> <p>My hobbies are the dogs and my job, and the resulting detailed researching, studying and reading of scientific books and papers.</p>
<b>Dogs at current</b>	<p>Currently no breeding activities, but we are sharing our life with one German Wirehaired Pointer and a Cavalier King Charles Spaniel, both are a lot of fun to have.</p>
<b>Dalmatian and breeding activities</b>	<p>I never owned a Dalmatian though I've been always very interested in this breed. In 1981 I founded my kennel „Taurunum“ where I bred a variety of breeds: German Hunting Terrier, German Short Hair and Wirehaired Hair Pointer and small Poodles.</p>
<b>Judging activities</b>	<p>International judge since 1978, qualified as an All-Rounder (since 1992) and allowed as well to judge performance trials and shows, e.g. for hunting dog tests (all breeds).</p> <p>Since 1978 I've judged in 53 countries on 4 continents a variety of shows, among others as well numerous European and World show champion ships.</p>
<b>Membership, functions and positions</b>	<p>Founding member of the German Terrier Club and the Poodle Club in Serbia, I've been active in those clubs as a president for more than 20 years.</p> <p>Memberships in a variety of clubs and associations in my home country and abroad, e.g. the Austrian Dalmatian Club.</p> <p>Member of the NYAS (New York Academy of Sciences) since 1999.</p> <p>Since June 2017: Head of Health and Breeding commission of the WAFDAL</p>
